*** A very beautifully executed Manuscript in the Turkish character. Of the Pentateuch there are two copies, one with, and the other without points. It is doubtless the work of Albertus Bobovius or Bobowski, at the instance of Dr. L. Warner of Leyden. The author, a Pole by

birth, was stolen in his childhood by the Turks and brought up in the Mohammedan religion. He resided for some time in England, and translated the Catechism into Turkish at request of Dr. Basire.
